SUBJECT: Title IV-A Child Care Survey

REFERENCE: All County Letter No. 93-84

The purpose of this letter is to notify all county welfare departments that California Department of Social Services (CDSS) plans to conduct an annual Title IV-A Child Care survey in compliance with Federal Uniform Title IV-A reporting requirements mandated by the Department of Health and Human Services (DHHS).

This survey will collect sample child care data relative to the number of months child care is received and the type of child care provided for children receiving Title IV-A child care services while their parents/caretakers work or participate in Non-GAIN Education or Training (NET), Tribal Job Opportunities and Basic Skills Training (JOBS) programs, or Transitional Child Care (TCC). This includes those Aid to Families with Dependent Children (AFDC) recipients claiming the income disregard for child care and those recipients receiving Supplemental Child Care (SCC) payments.

The Statistical Services Bureau (SSB) will be conducting the survey during the month of May 1994. At the present time, we are requesting that each county identify all Title IV-A Funded Child Care cases. This includes all cases reported under the ACF-115 (State) and CA 237 Transitional Child Care.

In addition, counties should assign an individual to act as county liaison. Please submit the enclosed County Liaison Information sheet by March 23, 1994. All materials necessary to conduct the survey, which include the questionnaire, instructions on how to complete the questionnaire, and sampling instructions, will be sent to the county liaisons in April 1994.

Any questions regarding the survey process should be directed to Nguyet Nguyen (916) 653-7651 or FAX (916) 653-4880.
